Lady Truckers still hot

Strong pitching and powerful bats leading the way.

The Churchland High School varsity softball team under first year head coach Matt Arrington are off to one of the best starts in

favorite in the Eastern District and was the lone school ranked in the preseason rankings. Churchland is getting it done

1:

This is believed to be the first time in school history that Churchland is ranked in softball in school history.

school history. The Truckers entered last weeks showdown with ninth ranked Granby the 10th ranked team in South Hampton Roads. Truckers earned a hard fought victory that opened a lot of eyes locally. Granby was the Preseason

behind ace Helen Bradshaw, and the timely hitting of a roster that features only two seniors including Bradshaw. The Lady Truckers have the look of a team that can make a deep run not only this year, but the next couple of years.

Big Decision:

Trucker Baseball star selects college destination

Trucker Baseball star Chase Moore selected Winston Salem-State as his college destination. The Rams Division II are members of the CIAA conference and are currently ranked #6 in

the Mid-Atlantic region baseball rankings. The Rams will make annual trips to VA to take on conference foes Virginia State and Virginia Union.
