The 2017 Conference 17 Track and Field Championships provide the last opportunity for those athletes that have not qualified for

regionals or states to try and qualify. On the girls side, Sophomore distance runner, Tamara Washington, will look to repeat as conference champion in the 3200. Coach Broady will also rely on the 4x100 and 4x800 relay teams to repeat as conference champions to make a push for the conference title. On the boys side,

4x800m relay team did walk away with a conference title. Coach Zo Ricks will need strong performances by baseball standout and sprinter Chase Moore (100m and 200m), thrower Micah Brown (shot put and discus), and Davonte Mitchell (hurdles and jumps) to be competitive this weekend.

Varsity Baseball playing at Harbor Park:

Truckers look to continue hot streak vs. city rival in Norfolk.

The Wilson vs Churchland baseball game scheduled for Friday is technically a home game for Churchland. However, the game will be played at Harbor Park, the home of the Norfolk Tides, the Baltimore Orioles AAA team. The Truckers and Presidents will play at 3:30 with the Tides game vs. the Charlotte Knights following at 7:05. The CHS Chorus

will sing the national anthem for the game, and our principal Mr. Millaci will throw out the ceremonial first pitch. The Harbor Park game has been a successful joint venture between both high schools to raise funds to support the baseball programs. Hope to see everyone there for this great day of baseball action. Tickets are \$12.
