All teams qualify for the Spring Jubilee at Wilson HS.
Softball, Baseball, Boys Soccer, and Girls Soccer move on.

The 2017 Spring sports season has been successful for the Churchland Truckers as Churchland qualified teams to participate in all four

season. Girls soccer enjoyed one of the best seasons in years, but struggled in conference play finishing 2-3. They will face

Conference 17 Spring Jubilee:

Monday-Wednesday Woodrow Wilson High School

Spring Jubilee events. The softball team started the season off hot under first year coach Matt Arrington, but faltered down the stretch finishing in fourth and earning a matchup on Monday vs. #1 seed Great Bridge. Baseball pulled off the upset of the year, knocking Great Bridge from the #1 perch in the local rankings, but finished conference play 5-5 and will play a Kings Fork team they split with during the regular

conference regular season champion Kings Fork in the conference tournament. Boys soccer followed up their great season from a year ago (conference co-champions) with a second place finish this year. They will face a Deep Creek team they defeated 3-2 in the last game of the regular season. All games for the Jubilee will be played at Woodrow Wilson High School.

Basketball improving:

Basketball finding offseason success on the court.

The boys and girl's basketball teams are off to undefeated starts this offseason. Pharoah Lassiter is receiving high praise for the JV team, playing in the Boo Williams future league. The girl's future league team is undefeated and playing well in the league hosted by Kings Fork. The

Coach Weathers lead group has defeated the likes of Oscar Smith, Kings Fork and Nansemond River. The Lady Truckers look to improve from last year one-win season.
