## Student Photo, Video, and Interview Release Form

Great things are happening in Portsmouth Public Schools! Throughout the school year, we produce a variety of publications and video productions that highlight student and staff achievements, innovative classroom activities, district-wide programs and initiatives, school board policies and procedures, and general information about our school district. Media organizations also help to promote the activities of our school district through newspaper and television news stories.

In order to protect the rights and privacy of our students, parental permission is required before students can be interviewed, videotaped, or photographed for use in school district publications, television productions, news stories, or websites developed by the school district or other media organizations for school district use. We need your permission to use statements from your child, photographs of your child, or videotapes in which your child appears.

Please take a few minutes to complete this permission form. Please answer yes or no in the space preceding each statement. Then, sign your name in the appropriate space.
