September 2016

Dear Students and Families,

Welcome to Churchland High School. Churchland High School is a comprehensive high school that offers a multitude of offerings including Advanced Placement courses, Career and Technical Education classes, clubs, athletics, and fine arts. The key to student success is being involved in activities and CHS has an array of outstanding offerings that help us attain our highest priority which is student learning.

The 2016-2017 school will be marked by several exciting initiatives. First, we continue to implement the one to one computer initiative that places Chrome Books in each of our students' hands. Second, we will be participating in the Virginia High School League Sportsmanship program and the Stay in the Game initiative which promote school spirit, as well as sportsmanship. Third, we are exploring new ways to engage our students including the possibility of developing maker-space areas in our school. Finally, we will strive each day to have a dynamic, relevant, and purposeful instructional model.

Churchland High School has a rich tradition of excellence. This excellence is clearly demonstrated in the outstanding performance on the Virginia Standards of Learning test which make us a fully accredited high school. In addition, in 2015-2016 we were recognized by U.S. News and World Report as a Bronze Medal High School indicating we are in the top 30 percent of public schools in the nation based on state exam performance. We look forward to seeing our school excel and my motto as a principal is "Going from Good to Great!" It will take every stakeholder in our school to reach that goal.

In conclusion, students be involved! A student that is involved in our outstanding programs is more likely to have fewer absences from school and less likely to be involved in matters associated with discipline. Families, please attend parent-teacher conferences, open houses, and our many extra-curricular and co-curricular activities.

The information you find in this handbook will answer most questions you may have about Churchland High School, however, do not hesitate to call me or members of our staff if you have questions or concerns.

Again, I welcome you to the 2016-2017 school year where we will carry on the tradition of "Trucker Pride" and strive to move our high school from "Good to Great."

CAFETERIA

Breakfast: Free for ALL students

Lunch: Reduced price: .40 Non-Reduced: 1.60 Milk: .50

Students are to remain seated unless in a serving line. Students may pack their lunch; however, food from restaurants, fast food, or pizza delivery is not allowed. No visitors are allowed in the Cafeteria.

Cell Phones and Electronic

During the school day, high school students may use personal equipment or electronic devices for instructional purposes as defined and supervised by a classroom teacher or administrator. Students shall not display or activate personal equipment during class time unless specifically given permission by a teacher or school administrator. Personal equipment or a device includes, but is not limited to: a laptop computer, net book, tablet computer, cellular phone or Smartphone e-reader, or any personal computing device. Devices can be used only in the cafeteria during breakfast/lunch, and before/after school. Using the device to misrepresent an individual, harass or bully, or promote illicit activity will be unacceptable. Improper use shall result in confiscation of the item. Any student found in violation will have them confiscated and returned to a parent. All cell phones, electronic devices and other confiscated items must be picked up by a parent/guardian. When the parent/guardian picks up the confiscated item they will be required to sign the General Confiscation Form acknowledging that if the same or similar item is confiscated a second time it will be kept until a parent conference is held with an administrator, the third offense will result in the item being held until the student serves a minimum of one day of in-school suspension and a parent conference is held. The school must be contacted to schedule a pick up time.

CONSEQUENCES:

- First offense -the device shall be confiscated and returned to a parent/guardian
- Second offense -returned at parent conference
- Third offense – one day in-school suspension and parent conference is held

CLASS CUTTING

Students reporting to school and failing to report to first block, assigned classes, and/or assigned student activities will be considered cutting and will be subject to disciplinary actions.
